TUITION AND DEPOSIT:

For Distance Learning courses:

All Distance Learning Enrollments require a registration/application fee of \$150.00. This fee is non-refundable but will be applied toward the remaining balance of tuition. The registration fee should be submitted as a separate check or, if paying by credit card, will be processed as a separate transaction.

There are two payment options:

1. Full payment of \$1520 at time of application.
(\$150 registration / \$20 Shipping and Handling / \$1350 tuition and materials)
2. \$320 deposit with your application plus financing agreement.
(\$150 registration / \$20 Shipping and Handling / \$150 deposit)

A \$20.00 shipping and handling fee is added to Distance Learning tuition. Enrollment applications received for tuition that do not include the shipping and handling fee will have it added. Students living outside the Continental United States or Canada may be charged additional UPS fees for shipping.

For Distance Learning Practical: Space is limited. Registration fee of \$50 is required at time of enrollment*. The remaining balance of \$450 is due on the first day of class. You may enroll for a practical at any time, but regulations require students to declare their resident instruction by the time they have completed 50% of their distance learning portion (in other words, selection of a Practical within three months from your enrollment date).

*NWSAM is licensed by Oregon Dept. of Education. Students **who attend classes in Oregon** are subject to OAR Administrative Rule, Chapter 581, Division 045 requiring the \$50 registration fee paid upon enrollment in the Practical with the balance due of \$450 paid on the first day of class.

Mail application and payment to: NWSAM, P.O. Box 670 Fall City, WA 98024
