TUITION AND DEPOSIT:

For Distance Learning courses: There are three payment options: full payment plus \$20 shipping and handling at time of application OR \$500 deposit (Foundation Level) plus \$20 shipping and handling OR \$300 deposit (Performance or Rehabilitation) plus shipping and handling with your application plus financing agreement.

The \$20.00 shipping and handling fee is added to Distance Learning tuition. Enrollment applications received for tuition that do not include the shipping and handling fee, will have it added to financing or invoiced. Students living outside the Continental United States or Canada may be charged additional UPS fees for shipping.

For Distance Learning Practical: Space is limited. A registration fee of \$50 is required at time of enrollment with balance of \$450 to be paid at class. You may enroll for a practical at any time, but regulations require students to declare their resident instruction by the time they have completed 50% of their distance learning portion (in other words, selection of a Practical within three months from your enrollment date).

*NWSAM is licensed by Oregon Dept. of Education. Students **who attend classes in Oregon** are subject to OAR Administrative Rule, Chapter 581, Division 045 requiring the \$50 registration fee paid upon enrollment in the Practical with the balance due of \$450 paid on the first day of class.
